

EPIC® H-B 10 SGR

Housing design H-B. The industry standard.

The robust universal housing is suitable for use in the plastics industry and consists of 2 double levers and 1 cable entry.

Info

Double lever version with 2 levers for increased safety

Supplementary automation components from Lapp

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

Benefits

The smallest housing with single and double lever. The right housing is available for every application

Application range

Plant engineering
Light & sound technology
Plastics industry

Product features

Surface-mount base, low version
Dual levers
