

## EPIC® Tools for contacts MC 2.5 machined

For inserts and modules of the EPIC® rectangular connectors

In order to make working with machined contacts even easier, use a professional tool such as a crimping tool.

### Product features

Locator and crimping dies fit together with the crimping tool 11147000 and the crimping machine 11147001

### Note

Photographs and graphics are not to scale and do not represent detailed images of the respective products.  
Prices are net prices without VAT and surcharges. Sale to business customers only.
