# FC STRIP stripping tool

Stripping and dismantling tool for fast connect conductors/cables, removes copper screening braid and outer sheath in one step, time-saving

Benefits
Ready-to-connect stripping - outer sheath and copper screening braid are stripped in one simple step
Prevents cable damage
Adjusting screws enable the tool to be adjusted for all Fast Connect cables

Application range
Two-level dismantling tool for Fast Connect conductors with an outer diameter 2,5 - 8,0 mm
Other blades on request

Product features
Preset stripping length for copper screening braid 6.5 mm (blade distance)
