

## EPIC® H-B 24 TS-RO

Housing design H-B. The industry standard.

The housing with a side cable entry and pivots for a single lever is ideal for use, for example, in investment construction and can be supplied with or without a neck.

### Info

Non-slip ridges for comfortable disconnecting

Protection rating UL50E tested

Supplementary automation components from Lapp

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

### Benefits

Ideal for many applications due to a wide range of housings and inserts

### Application range

Plant engineering

Light & sound technology

Plastics industry

### Product features
