

SKINTOP® MULTI-M

Cable bushing system with metric thread

Still completely sealed? The round, screw-in multiple entry system inserts up to 30 cables simultaneously into an enclosure and seals them with IP68 protection. Thanks to the variable clamping range, you are completely flexible in your choice of cable diameters!

Info

Compact, round multi cable bushing system with innovative gel technology

Supplementary automation components from Lapp

Mechanical and plant engineering

Wide clamping range

Halogen-free

Assembly time

Optimum strain relief

Space requirement

Reliability

UV-resistant

SKINTOP® MULTI-M

Benefits

Multiple insertion of cables enables higher packing density (up to 30 cables depending on the variant).

Large clamping ranges, each variable by 4 mm, for different cable diameters.

Direct cable entry without pre-piercing the bushings.

Flexibility in the choice of cable diameters reduces the variety of parts in the warehouse and provides logistical and cost advantages.

Simple mounting on the enclosure by screw-in or fixing with locknut.

Application range

For sealing and strain-relieving multiple insertion of non-assembled cables through a housing.

Can be used in dry, humid and oily environments.

Suitable for outdoor use.

Product features

Unused feedthroughs remain securely closed and sealed thanks to elastic gel technology with innovative membrane technology.

Best possible sealing to the housing and to the cables enables protection class IP 68.

UL certification according to technical data enables use of the product in the North American region.

Norm references / Approvals

UL 50, UL 50E, CSA C22.2

UL 508A for Industrial Control Panels

UL File No. E349737

Included

SKINTOP® MULTI-M including locknut and O-ring

Technical Data

Classification ETIM 5:	ETIM 5.0 Class-ID: EC000240 ETIM 5.0 Class-Description: Cable entry
Classification ETIM 6:	ETIM 6.0 Class-ID: EC000240 ETIM 6.0 Class-Description: Cable entry
Certifications:	UL File No. E349737 Fire behaviour acc. to UL94 V-2 Hazard Level HL 2 acc. to EN 45545-2
Note:	On request: - individual bushing configuration - other metric thread sizes
Material:	Frame: Polycarbonat Sealing: Gel O-Ring: NBR
Protection rating:	IP 68
Temperature range:	With O-ring: -20 °C to +100 °C Without O-ring: -30 °C to +110 °C
