

PRODUCT INFORMATION

EPIC® H-A 10 TG

These connectors are attractive because of their compact housing.

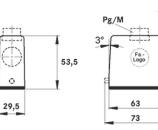

The low hood has pivots for a single lever and a direct cable entry. It is suitable for use in electronic laboratories.

Info

Non-slip ridges for comfortable disconnecting Protection rating UL50E tested High version: More interior space for wiring

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

Benefits Small and space-saving for narrow available space

Application range

Machine and equipment manufacturing Control engineering Electronic laboratory

Product features

Hood, low version Bolts for single lever Straight cable entry
