

## PRODUCT INFORMATION

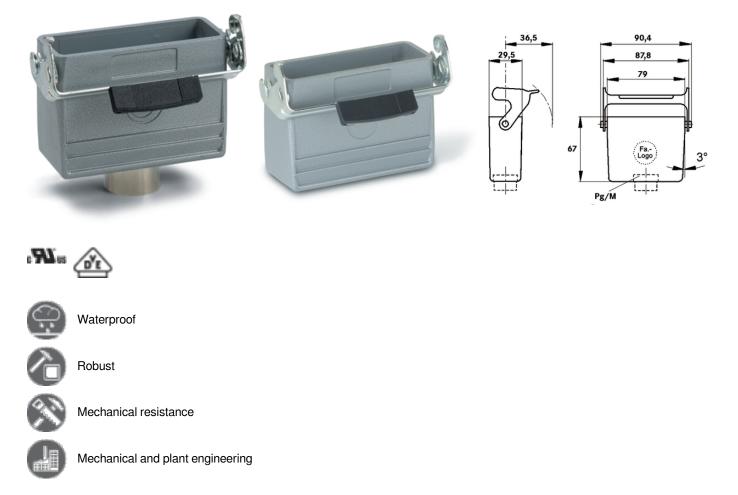

## **EPIC® H-A 16 TBFH-LB**

These connectors are attractive because of their compact housing.

The compact metal housing is suitable for applications with a high number of contacts. It has a direct cable entry and 1 single lever.

#### Info

More interior space for wiring Protection rating UL50E tested

### Benefits

Small and compact, for applications with high number of contacts

#### **Application range**

Machine and equipment manufacturing Control engineering Electronic laboratory

#### **Product features**

Cable coupler hood, high version Single lever Straight cable entry Versions with / without neck
