

## EPIC® H-A 16 TGH

These connectors are attractive because of their compact housing.

Small and compact high metal housing has pivots for a single lever and a direct cable entry and can be used, for example, in control systems.

### Info

Non-slip ridges for comfortable disconnecting  
 More interior space for wiring  
 Protection rating UL50E tested

Waterproof

Robust

Mechanical resistance

Mechanical and plant engineering

### Benefits

Small and compact, for applications with high number of contacts

### Application range

Machine and equipment manufacturing  
 Control engineering  
 Electronic laboratory

### Product features

Hood, high version  
 Bolts for single lever
