EPIC® H-B 10 SGRL

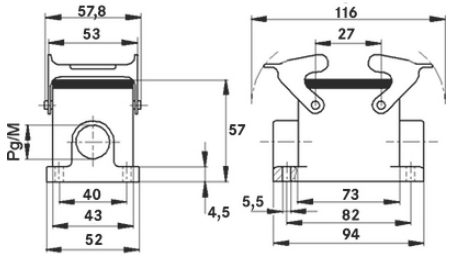

Housing design H-B. The industry standard.

The universal metal housing for rectangular connectors consists of 2 double levers and 2 cable entries and is suitable for use in the plastics industry.

Info

Double lever version with 2 levers for increased safety
For easy introduction of two cables

- Supplementary automation components from Lapp
- Mechanical and plant engineering
- Mechanical resistance
- Robust
- Waterproof

Benefits

The smallest housing with single and double lever. The right housing is available for every application

Application range

Plant engineering
Light & sound technology
Plastics industry
