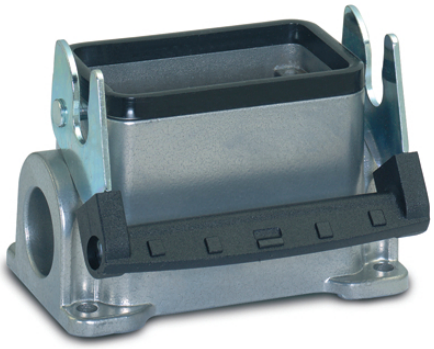
EPIC® H-B 24 SGRL-LB

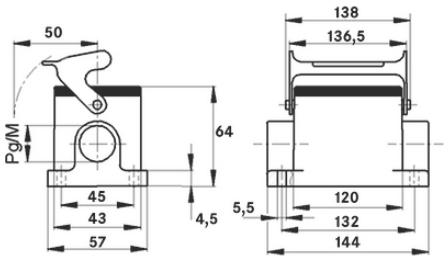
Housing design H-B. The industry standard.

The universal low metal housing consists of a single lever and 2 cable entries. It can be used, for example, in investment construction.

Info

For easy introduction of two cables
Single Lever version for quick locking and simple unlocking with lifting aid
Protection rating UL50E tested





Supplementary automation components from Lapp

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

Benefits

Safe fixing with 4 screws
Casted neck for easy assembly of the cable gland

Application range

Plant engineering
Light & sound technology
Plastics industry
