

# PRODUCT INFORMATION

## **EPIC® H-BE 6 Crimp termination**

The proven standard inserts for easy assembly

The multi-functional insert for versatile application has crimp termination and can be used for higher voltages and currents.

### Info

For wire connection up to 4 mm<sup>2</sup> Screw, crimp, cage clamp and Push-In version - freely combinable Railway applications

# 

Supplementary automation components from Lapp

Mechanical and plant engineering

Robust

Temperature-resistant

### **Benefits**

Standard inserts with screw, crimp cage clamp and Push-In termination

The EPIC® H-BE series is suitable for applications that require a reliable connection when working with high voltages and currents Railway applications

- Fire protection on railway vehicles: Test according EN 45545-2. Requirement sets R22 and R23. Hazard level HL1, HL2 and HL3

### **Application range**

Mechanical engineering Plastics industry Light & sound technology
