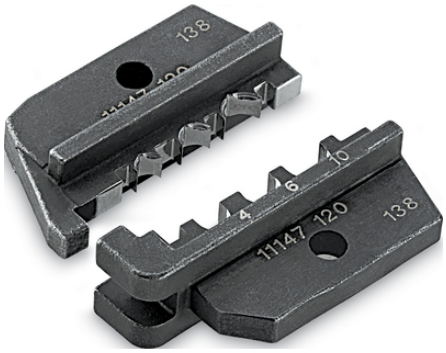
EPIC® Tools for contacts MC 3.6 machined

For inserts and modules of the EPIC® rectangular connectors

For 100% reliable installation, it is recommended to use professional tools for the machined contacts, such as a removal tool or locator.



Product features

Locator and crimping dies fit together with the crimping tool 11147000 and the crimping machine 11147001

Note

Photographs and graphics are not to scale and do not represent detailed images of the respective products.
