

KNIPEX Dismantling knife

KNIPEX Dismantling knife with hardened blades and insulated handles

Info

Dismantling without damaging the conductor insulation

Benefits

Particularly confident grip thanks to slip-proof soft components

Thumb recess and "finger hook" at the end of the handle ensure a good transmission of force when the blade is pulled

High ergonomics thanks to multi-component handles

Insulated handles allow working under voltage up to 1000V

Product features

Transparent protective cap

With guide shoe at the blade point
